anti-matter-3d.com/tools

This Software License Agreement ("Agreement") is between you (either an individual or a single entity, "Licensee") and Martin P. Heigan ("Licensor"). This Agreement applies to the software identified as mh_macro_tools Photomicrography Tool ("Software"). By receiving, accessing, or using the Software, Licensee agrees to be bound by the terms of this Agreement.

The Software is provided free of charge. It is a Windows desktop calculator for photomicrography and macro-rail focus-stacking workflows. It computes magnification, field of view, depth of field, diffraction and effective aperture, resolution and sensor sampling, and recommended focus-stacking steps, for both camera-lens macro and infinity microscope-objective configurations. The Software performs its calculations locally; it reads and writes its own profile files (JSON) and exported results (plain text) at locations chosen by the Licensee, and it does not modify, patch, or interfere with any third-party software or files.

1. Grant of License

Licensor grants Licensee a worldwide, non-exclusive, royalty-free license to use, share, and redistribute the Software in its original form, subject to the following conditions.

2. Attribution

Licensee must give appropriate credit to the Licensor, provide a link to the license, and indicate if changes were made. Attribution should be in the following form:

| mh_macro_tools Photomicrography Tool by Martin P. Heigan, licensed under CC BY-NC-ND 4.0

3. NonCommercial

Licensee may not use the Software for commercial purposes. Any use primarily intended for or directed toward commercial advantage or monetary compensation is prohibited.

4. NoDerivatives

If Licensee remixes, transforms, or builds upon the Software, Licensee may not distribute the modified Software. Any distribution of adaptations of the Software in any form is prohibited without express written permission from the Licensor.

5. Nature of the Software

5.1 The Software is a standalone calculator. It does not modify, patch, replace, repackage, decompile, or otherwise alter any file belonging to any third party, and it does not modify, remove, bypass, or interfere with any licensing, activation, subscription, or protection mechanism of any other software.

5.2 The Software produces calculated estimates and planning figures derived from the inputs and optical models selected by the Licensee. Such figures are provided for guidance only. The Licensee is responsible for verifying results against their own equipment and measurements before relying on them for any purpose.

6. No Affiliation; Trademarks

The Software is an independent utility and is not affiliated with, endorsed by, sponsored by, certified by, or supported by any camera, lens, or optical-equipment manufacturer. Product and company names referenced in the Software and its documentation — including but not limited to Nikon, Canon, Sony, Micro Four Thirds, Raynox, and Mitutoyo, and any objective, mount, or lens designation — are trademarks or registered trademarks of their respective owners, used solely to identify the equipment with which the Software is intended to be used (nominative fair use). No claim of ownership or association is made or implied.

7. Disclaimer of Warranties

THE SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE, AND AS TO THE ACCURACY AND SUITABILITY OF ANY CALCULATED RESULT, IS WITH LICENSEE. CALCULATED VALUES ARE ESTIMATES THAT LICENSEE IS RESPONSIBLE FOR VERIFYING AGAINST THEIR OWN EQUIPMENT AND MEASUREMENTS BEFORE USE.

8. Limitation of Liability

IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, DATA LOSS, OR BUSINESS INTERRUPTION, ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

9. Termination

This License is effective until terminated. Licensee may terminate it at any time by destroying all copies of the Software. This License will terminate immediately without notice if Licensee fails to comply with any term of this Agreement.

10. Governing Law

This Agreement is governed by the laws of the Republic of South Africa, without regard to conflict of law principles.
